**Dated:19/09/2016**

**Notification**

Whereas, Section 164 of the Electricity Act, 2003 mandates that the licensee/applicant shall publish the transmission scheme in the official State/ Central Government Gazette and two local daily newspapers.

Whereas, for the purpose of installation of the overhead line under transmission system of Tashiding Hydro Electric Project, M/s Shiga Energy Pvt.Ltd. has been accorded authorization by the State Government under section 164 of the Electricity Act, 2003.

For the above purpose the Public Notice Published in two local daily newspapers is reproduced as follows:

“Shiga Energy Pvt.Ltd. having its registered Office at 2<sup>nd</sup> Floor, Rabdenling, Annex II, Adjoining Royal Plaza, Upper Shyari, Gangtok, East Sikkim-737101, India intends to apply to the Government of Sikkim to confer upon him all the powers under Section 164 of the Indian Electricity Act, 2003 for the placing of Electric lines or electrical plant for the transmission of electricity or for the purpose of telephonic or telegraph communications necessary for the proper coordination of works which telegraph authority possess under the Indian Telegraph Act, 1885 with respect to the placing of telegraph lines and posts for the purpose of a telegraph established or maintained, by the Government or to be so established or maintained and will undertake the survey, construction, installation, inspection, erection and other works to be followed by commissioning, operation, maintenance and other works for the following Transmission scheme.

Name of Scheme: 220KV Double Circuit Transmission Line of Tashiding Hydro Electric Project ( 97MW) in West Sikkim being constructed by Shiga Energy Pvt. Ltd (SEPL) from Tashiding Power Station to Legship (Sagbari) pooling Station at Tingmoo, South Sikkim having approximate length of 7 (Seven) KMS.

The 220KV Double Circuit Transmission Line of Tashiding Hydro Electric Project (97MW) in West Sikkim from Tashiding HEP to the Legship (Tingmoo) Pooling Sub- Station of about

7Kms is proposed to be constructed by M/S Shiga Energy Pvt.Ltd. Primarily for evacuation of Power Generated from the Tashiding HEP rated: 97WMs, to be injected into the Intra-State Pooling Sub- Station at Legship (Tingmoo).

The above Transmission project has been accorded approval by the Central Electricity Authority, Government of India vide its letter No: 68/ER/2015/1381 dated: 24/06/2015 under section 68 of the Indian Electricity Act 2003.

The Transmission lines covered under the scheme will pass through, over, around and between the following villages, town and cities.

Sl. No.	NAME OF VILLAGES	TEHSIL	DISTRICT
01	Omlok	Geyzing,Rabdentse	West
02	Yangtey	Geyzing,Rabdentse	West
03	Legship	Ravangla Sub-Division	South
04	Hingdam	Ravangla Sub-Division	South
05	Lamaten	Ravangla Sub-Division	South

Copy of the route alignment is available in the office of the undersigned. Notice is hereby given to the general public to make observation/representation on the proposed transmission system within two months from the date of publication of this Notice to the office of the undersigned in writing.
